Notes & Feedback

Thank you for your attention!

adelphi Consult GmbH
Alt-Moabit 91, 10559 Berlin, Germany
office@adelphi.de

adelphi is a leading independent think-and-do tank for climate, environment and development. We are some 350 strategists, thought leaders and practitioners working at the local and global levels to find solutions to the most urgent political, economic and social challenges of our time. As a policy consultancy, we support a just transition towards carbon neutrality and sustainable, liveable societies. Our work is grounded in transdisciplinary research, evidence-based consulting and stakeholder dialogues. With these tools we shape policy agendas, facilitate political communication, inform policy processes and support decision-makers.
