

Financial Assistance Schemes for Older Persons in Arunachal Pradesh

At Elderly Care India it is our constant endeavour to compile resource and information which can help Older People (Senior Citizens) to become aware of their Social Welfare Rights that can help them avail the various schemes, programmes and other benefits offered by the Central Government and State Governments.

The below schemes have been collated from various sources (like myScheme by GoI) so that Older People who are poor, underprivileged, destitute, widowed, disabled can access certain financial schemes which can help them support their existing financial status.

Since the document has been compiled as an individual, hence it is suggested that due diligence should be done by the Senior Citizen.

In case there are any inputs, suggestions or corrections which needs to be made, please write to us at care@elderlycareindia.org or elderlycareadvisor@gmail.com or visit <https://elderlycareindia.org/>
